

# Senior Year Photos

From the classic to antique style to cutting edge AV creation Diane L. Green Photography LLC can create your desired style in senior photos. At Diane L. Green Photography LLC we understand the needs of both the student and the parents in capturing the right style and personality for senior pictures. Mom and Dad may be looking for the cap and gown shot while grandparents desire a classic senior pose and the student wants a contemporary pose or selection of poses to share among friends. Because we are a full service digital studio you are not limited to 1 or 2 repetitive poses. We also understand the timing of when pictures must be sent in for school year books which never coincide with the distribution of cap and gown. To that end our senior photo packages consist of a flexible shooting schedule throughout the year. Come in now and sign up for your senior photo package, your studio shots can be taken at any time of year. Then in the spring, summer or fall we schedule outdoor local location shots for that natural setting and casual creative look. Finally during the week or so you have your cap and gown contact us for your final graduation shot.

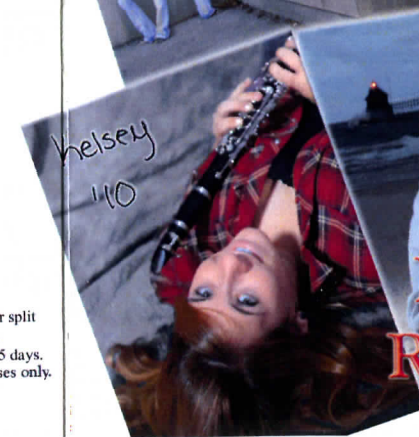

At the corner of Grove Street and Morrish Road south of Miller Road.
